"With this money, you won't have to cut back on the number of pies you give away--and all of that.".He wasn't afflicted with parenthood envy. A baby was the last thing he would ever want, aside from cancer. Children were nasty little beasts. A child would be an encumbrance, a burden, not a blessing..Although the piano was at some distance and the restaurant was a little noisy, Kathleen recognized the tune at once. She looked up from her veal, her eyes full of merriment..The shriek of the sirens groaned into silence. The police must have pulled to the curb in the street.. "Yes. In syrup form. It's a good item for your home medicine chest, in case your child ever swallows poison and you need to purge it from him quickly.".By comparison, the strip club-neon aglow, theater lights twinkling----looked warm, cozy. Welcoming.. "So do I, honey. Oh, Lord, so do I." She kissed his forehead. "Listen, kiddo, in spite of their stories and all their funny ways, your uncles are good men.".Regrettably, he had no choice but to conclude that she hadn't made up her mind whether to keep the baby or to seek out an illegal abortion without Junior's approval. She had been thinking about scraping his child out of her womb without even telling him.. "I don't know anyone named Bartholomew." He decided that the truth, in this instance, could not harm him..He didn't wonder about his sanity, either, as a less self-improved man might have done. No madman strives to enhance his vocabulary or to deepen his appreciation for culture..Between the one-line description of the baklava and the menu's more effusive words about the walnut mamouls, the suspense became too much, the doubt too insidious, at which point Celestina looked up and said, with more girlish angst in her voice than she had planned "Maybe this isn't the place, maybe it isn't the time, or maybe it's the time but not the place, or the place but not the time, or maybe the time and the place are right but the weather's wrong, I don't know--Oh., Solitude, however, was his preference. He found the sympathy of friends unbearable, a constant reminder that Perri was gone..She loosened her hair and brushed it out, and Nolly took her to dinner at their favorite place, which had the decor of a classy saloon and a bay view suitable for God's table. They came here often enough that the maitre d' greeted them by name, as did their waiter..As Abadiah lowered himself into a well-worn armchair, he said to Edom, "Son, don't I know you from somewhere?".before used. Boeotian. A dull, obtuse, stupid person. He felt very Boeotian all of a sudden..Imagination like all living things lives now, and it lives with, from, on true change. Like all we do and have, it can be co-opted and degraded; but it survives commercial and didactic exploitation. The land outlasts the empires. The conquerors may leave desert where there was forest and meadow, but the rain will fall, the rivers will run to the sea. The unstable, mutable, untruthful realms of Once-upon-a-time are as much a part of human history and thought as the nations in our kaleidoscopic atlases, and some are more enduring..AGNES ALWAYS ENJOYED Christmas Eve dinner with Edom and Jacob, because even they tempered their pessimism on this night of nights. Whether the season touched their hearts or they wanted even more than usual to please their sister, she didn't know. If gentle Edom spoke of killer tornadoes or if dear Jacob was reminded of massive explosions, each dwelt not on horrible death, as usual, but on feats of courage in the midst of dire catastrophe, recounting astonishing rescues and miraculous escapes.. "I suppose anyone could fill some empty gelatin capsules with the syrup," said Parkhurst. "But-" "Roll your own, so to speak. Then he could palm a few of them, swallow 'em without water, and the reaction would be delayed maybe.Earthquake weather. Southern Californians had many definitions of that term, but Edom knew he was right this time. Thunder would roll again soon, but it would arise from underfoot..AFTER THE ENCOUNTER with the quarter-spitting vending machines, Junior wanted to kill another Bartholomew, any Bartholomew, even if he had to drive to some far suburb like Terra Linda to do it, even if he had to drive farther and stay overnight in a Holiday ay Inn an eat steam-table food off a buffet crawling with other diners' cold germs and garnished with their loose hairs..Second, Thomas Vanadium received no mention: Therefore, his body hadn't been found in the lake. He still ought to be under suspicion in the Bressler case. And if new evidence cleared him of suspicion, then his disappearance should have been mentioned, and he should have been listed as another possible victim of the Shamefaced Slayer, the Bandaged Butcher, as the tabloids had dubbed Junior..The gray pants of her jogging suit, speckled with rain that had blown in through the shattered windshield, were suddenly soaked. Her water had broken..Maria fished another chip from the sweating carafe, rejected it, and scooped out a larger piece. She hesitated, staring at it for a moment, and then spooned it between Agnes's lips. "Water can to be broken if it will be first made into ice.".Celestina, surprised by Lipscomb's arrival, was still mentally numb from Neddy's harangue. "Doctor, I didn't know you were coming.".Wally and Celestina went to dinner at the Armenian restaurant from which he'd gotten takeout on the day in '65 that he rescued her and Angel from Neddy Gnathic. Red tablecloths, white dishes, dark wood paneling, a cluster of candles in red glasses on each table, air redolent of garlic and roasted peppers and cubeb and sizzling soujouk-plus a personable staff, largely of the owners' family-created an atmosphere as right for celebration as for intimate conversation, and Celestina expected to enjoy both, because this promised to be a most momentous day in more ways than one..Warily, Junior ventured into the gallery to make inquiries. He expected the staff to express utter bafflement at the name Celestina White, expected the poster to have vanished when he returned to the display window.. "Last I noticed, his car was out. Let me check." Sparky put down his phone and went to look in the garage. When he returned, he said, "Nope. Still out. When he parties, he usually parties late.".A cold wind raised a haunting groan as it harried itself around and around in the bronze hollow of the bell atop the church steeple, shook dead needles from the evergreens, and resisted Paul's progress with what seemed to be malicious intent. Miles ago, between the towns of Brookings and Pistol River, he had decided that he wouldn't again walk this far north at this time of year, even if the guidebooks did claim that the Oregon coast was a comparatively temperate zone in winter..Playing with fire was fun when you didn't have to attempt to conceal the fact that it was arson.. "There is no king in Earthsea," the young man said, stern and righteous, "In my master's service, then," Hound amended, patient..She worried that they would argue with her, and though she knew that she was committed to her decision, she was afraid to have that commitment tested just yet..What he learned working with his father and uncle in the shipyard he could use,

at least; and he was becoming a good craftsman, even his father would admit that. Anyway, if Seraphim were still alive, she would be only nineteen now, too young to have graduated from Academy of Art College. Jacob grunted, but probably not because he'd heard what had been said about him, more likely because he'd just turned the page to find a photo of dead cattle piled up like driftwood against the American Legion Hall in some flood-ravaged town in Arkansas. He shouldered past two counter waitresses, past the short-order cook who was working eggs and burgers and bacon on the open griddle and grill. Whatever expression wrenched Junior's face, it must have been intimidating, for without protest but with walled alarm, the employees squeezed aside to let him pass. "He'll just think I'm an incompetent detective. If he comes around wanting his five hundred bucks back, I'll give it to him." In a magazine article about the hero, passing mention was made of a restaurant where occasionally the great man ate breakfast. Agnes saw no arc of color from candle to candle, and she thought that he must mean for her to look at the many cut-crystal wineglasses and water glasses, in which the lambent flames were mirrored. Here and there, the prismatic effect of the crystal rendered reflections of the flames into red-orange-yellow-green-blue-indigo-violet spectrums that danced along beveled edges. WEDNESDAY, fully two days after delivering honey-raisin pear pies with Agnes, Edom worked up the nerve to visit Jacob. Hound meant well in sending the young man to Samory, but he did not understand the quality of Otter's will. Nor did Otter himself. He was too used to obeying others to see that in fact he had always followed his own bent, and too young to believe that anything he did could kill him. Tom Vanadium was too unnerved by the Cain scare to be interested in the newspaper anymore. The strong black coffee, superb before, tasted bitter now. Their struggle to put their sorrow into words moved Agnes not because they cared so deeply, but because in the end they were unable to express themselves adequately. Without the relief provided by expression, their anguish grew corrosive. Their lifelong introversion left them without the social skills to unburden themselves or to provide solace to others. Worse, their obsessions with death, in all its many means and mechanisms, had prepared them to expect Barty's cancer, which left them neither shocked nor capable of consolation, but merely resigned. Ultimately, in great frustration, each twin was reduced to fragmented sentences, crippled gestures, quiet tears-and Agnes became the only consoler. In all their years, neither twin had ever set foot beyond the limits of Bright Beach. They both appeared nervous but determined. He was nearly forty years old, and a life spent fearing nature could not be turned easily into a romance with her. Some nights he still stared at the ceiling, unable to sleep, waiting for the Big One, and he avoided walks on the shore in respect of deadly tsunamis. From time to time, he visited his brother's grave and sat on the grass by the headstone, reciting aloud the gruesome details of deadly storms and catastrophic geological events, but he found that he had also absorbed from Jacob some of the statistics related to serial killers and to the disastrous failures of manmade structures and machines. These visits were pleasantly nostalgic. But he always came with roses, too, and brought news of Barty, Angel, and other members of the family. When Paul sold his house to move in with Agnes, Tom Vanadium settled into Jacob's former apartment, now a fully retired cop but not yet ready to return to a life of the cloth. He assumed the management chores of the family's expanding community work, and he oversaw the establishment of a tax-advantaged charitable foundation. Agnes provided a list of fine-sounding and self-effacing names for this organization, but a majority vote rejected all her suggestions and, in spite of her embarrassment, settled on Pie Lady Services. Exactly. The shock. The devastating loss. Junior felt it now, anew, and was afraid he might betray himself with tears, although he seemed to be done with vomiting. If he had been any other three-year-old, she would have told a compassionate lie. He was her miracle child, however, her prodigy, and he would know a lie for what it was. In a state of wonderment that was laced with dread rather than delight, he looked up from the quarter, seeking an explanation from Vanadium, expecting to see that anaconda smile. Outside, flames churned to the left and right of the opening. The front of the house was afire. Amazed, Agnes gaped at her baby. The throat lump that blocked her speech was part pride, part awe, and part fear, though she didn't at once understand why this wonderful precociousness should frighten her. She said, "Honey, what I'm wondering is ... could you walk where you don't have bad eyes, like you walked where the rain wasn't ... and leave the tumors in that other place? Could you walk where you have good eyes and come back with them?" Disbelieving his eyes, Junior reached across his body with his left hand and picked up the quarter. Although it had been lying in his right palm, it was cold. Icy. He was a man with a plan, focused, committed, ready to act and then think, as soon as he was able to act. A spasm of pain weakened his hand. Cartridges slipped through his fingers, fell to the floor. He assumed that she hadn't phoned the police to make a formal report. No need to go out of her way to slander Junior when Thomas Vanadium had been prowling the hospital at all hours of the day and night, ready to lend an ear to any falsehood about him, as long as it made him appear to be a sleazeball and a wife killer. This analgesic was among several prescription substances that he had stolen, over time, from the drug locker at the rehab hospital where he once worked. Some he had sold; these he had retained. The moment he had seen the building in which Nolly maintained an office-an aged three-story brick structure in the North Beach district, a seedy strip club occupying the ground floor-Junior knew he'd found the breed of snoop he needed. The detective was at the top of six flights of narrow stairs-no elevator-at the end of a dreary hallway with worn linoleum and with walls mottled by stains of an origin best left unconsidered. The air smelled of cheap disinfectant, stale cigarette smoke, stale beer, and dead hopes. In the kitchen again, Junior spread the blanket on the floor, to one side of the blood. He rolled Vanadium onto the blanket, and drew the ends of it together, fashioning a sled with which to drag the detective out of the house. And like John Kennedy's death, Zedd's passing was cloaked in mystery, inspiring widespread suspicion of conspiracy. Only a few believed that he had committed suicide, and Junior was certainly not one of those gullible fools. Caesar Zedd, author of *You Have a Right to Be Happy*, would never have blown his brains out with a shotgun, as the authorities preferred the public to believe. In her arms, little Barty burbled contentedly, unaware that his destiny supposedly included epic love, fabulous riches, and violence. Under the spoon to catch drips, she conveyed the shimmering sliver to Agnes's mouth. On December 18, as the Beatles' "Hello Goodbye" rocketed up the charts, Junior boiled over with frustration at his inability to find either love or Seraphim's baby, so he drove across the Golden Gate Bridge, to Marin County and all the way to the town of Terra Linda, where he killed Bartholomew Prosser. Face looked familiar, and he sensed that he had seen it before in a disquieting context, although the man's identity eluded him. The longer he crouched, head cocked, breathing silently through his open mouth, the more convinced Junior became that he had heard a man approaching. Indeed, the terrible conviction grew that someone was standing immediately in front of the dumpster, head cocked, also breathing through his open mouth, listening for Junior even as Junior listened for him. His mouth was dry when he said to Angel, "Well, it seems pretty magical to me-that flipped-coin trick." She wanted to go to San Francisco with Celestina, to have the baby in the city, where the father-and not incidentally her friends and Reverend White's parishioners-would never know she'd given birth. The more her parents

and sister argued against this plan, the more agitated Phimie became, until they worried that they would jeopardize her health and mental stability if they didn't do as she wished..As he turned the corner onto Jasmine Way, he felt his heart lift in expectation of the sight of his home. It wasn't a grand residence--a typical Main Street, USA, house-but it was more splendid to Paul than Paris, London, and Rome combined, cities that he would never see and would never regret failing to see.. "That's the Oreo. After I ate it up, the cookie went smooosh--smooosh into my finger.".He couldn't work up sufficient saliva to get the rasp out of his voice: "Then you could learn to do it.".He first eased from aisle to aisle, but soon moved more quickly, convinced that the singer would be found beyond the next turn, and then the next. Was that her trailing shadow he had glimpsed, slipping around the corner ahead of him? Her womanly scent lingering in the air after her passage?.On this morning in March, minutes after the pie caravan had departed, Edom got his Ford Country Squire out of the garage and drove to the nursery, which opened early. Spring was drawing near, and much work needed to be done to make the most of the rosarium that Joey Lampion had encouraged him to restore. He happily contemplated hours of browsing through plant stock, tools, and gardening supplies..He smiled and shrugged. "I used to be a fisher of men. Now I hunt them. One in particular.". "Quitting medicine?" Celestina asked, baffled by his announcement and his upbeat attitude.. "No. Just tricks. Turn a leaf to a gold piece. Seemingly.". Celestina finally zipped shut the satchel. "You better watch out for the big bad wolf.". One nurse and one nun brought Celestina into the creche behind the viewing window.. In the main room, on his way toward the front door, Junior saw Celestina White surrounded by adoring fatheads, nattering ninnies, dithering dolts, saps and boneheads, oafs and gawks and simpletons. She was still as gorgeous as her shamelessly beautiful paintings. If the opportunity arose, Junior would have more use for her than for her so called art.. Earlier, he had placed an open fifth of vodka on the table, in front of Victoria. The nurse, no longer in the chair, sprawled on the floor as if she had emptied another bottle before this one.. He knew that he needed to get a grip on himself. But he could not keep his breathing slow and deep, couldn't remember any of Zedd's other foolproof methods of self-control, couldn't recall a single useful meditative technique.. Lipscomb shifted his gaze from the street below to the source of the rain. "Phimie was not gone long, perhaps a minute-a minute and ten seconds at most-and when she was with us again, it was clear from her condition that the cardiac arrest was most likely secondary to a massive cerebral incident. She was disoriented, paralysis on the right side ... with the distortion of the facial muscles that you saw. Her speech was slurred at first, but then something strange happened. . . "It's just ... the last time I saw him, he trapped me in a corner and told this god awful story, far more than I wanted to know, about some British murderer back in the forties, this monstrous man who beat people to death with a hammer, drank their blood, then disposed of their bodies in a vat of acid in his workroom." He shuddered.. Having been so wounded by one death, Celestina could not imagine how Lipscomb could have survived the loss of his entire family. Pity knotted her heart and cinched her throat so that she spoke in little more than a whisper: "Was that the American Airlines. . .". When he reported for a physical and a reassessment of his draft classification, on Wednesday, December 15, he left the insert in his hitching shoe; however, he limped like old Walter Brennan, the actor, hitching around the ranch in The Real McCoys.. Tom Vanadium was no alarmist, and the most logical explanation came to him first. Paul had wanted to learn how to roll a quarter across his knuckles, and in spite of being dexterously challenged, he practiced hopefully from time to time. No doubt, he had sat at the table this morning--or even last evening, before bed-dropping the coin repeatedly, until he exhausted his patience.. "It's what?" asked the detective, for with the exception of his teeth, he was not a self-improved individual.
