"Quite soon now, I think. Can you hold the Gates open, my dear?".In Golden's understanding, money was power, but not the only power. There were two others, one equal, one greater. There was birth. When the Lord of the Western Land came to his domain near Glade, Golden was glad to show him fealty. The Lord was born to govern and to keep the peace, as Golden was born to deal with commerce and wealth, each in his place; and each, noble or common, if he served well and honestly, deserved honor and respect. But there were also lesser lords whom Golden could buy and sell, lend to or let beg, men born noble who deserved neither fealty nor honor. Power of birth and power of money were contingent, and must be earned lest they be lost..laughed and chattered..watched something just out of sight, around the corner, elsewhere..She followed the Doorkeeper down a stone passageway. Their reign extended no farther south than Ilien and did not include Felkway in the east, Paln and Semel in the west, or Osskil in the north,

but they did send explorers out all over the Inmost Sea and into the Reaches. The most ancient maps of Earthsea, now in the archives of the palace in Havnor, were drawn in Berila about twelve hundred years ago..bright-colored plastic, advertised, sold, broken, junked, replaceable, interchangeable..very much greater, the wholeness of knowledge. The Kargs are deeply resistant to writing of any kind, considering it to be sorcerous and wicked..As they were talking with her master a wagon drew up on the dock and began to unload six familiar halftun barrels. That's ours," Ivory said, and the ship's master said, "Bound for Hort Town," and Dragonfly said softly, "From Iria." "Master Ivory said I could pass for a man. Though I thought I should say who I was. I will be as some kind. This happened so suddenly that I froze..The spoken name of a True Rune may be the word it signifies in the Old Speech, or it may be one of the connotations of the rune translated into Hardic. The names of commonly used runes such as Pirr (used to protect from fire, wind, and madness), Sifl ("speed well"), Simn ("work well") are used without ceremony by ordinary people speaking Hardic; but practitioners of magic speak even such well-known, often used names with caution, since they are in fact words in the Old Speech, and may influence events in unintended or unexpected ways..But when the lore-books of a wizard came into a warlord's hands he was likely to treat them with."The woman with you defies the Rule of Roke," the Windkey said.
