I offered her myself and my runabout to move her luggage from the cabletrain station. She accepted, and while we collected the luggage, including a huge trunk that almost filled the car, I did my best to be kind and amusing. Finally, she started glowing again. I left her with the key, my telephone number, and a warning that, since the cabins on either side of her for some distance were empty, she should keep her doors locked. I also promised to call her the next day to see if she needed anything..What the woman was saying was of a character to suggest that she had just that minute gone crazy. "The pain," she explained calmly to the ice cream section of the freezer, "only comes on when I do this." She stooped closer to the ice cream and winced. "But then it's pure hefl. I want to cut my leg off, have a lobotomy, anything to make it stop. Yet I know the problem isn't in my leg at all. It's in my back. Here." She touched the small of her back. "A kind of short circuit Worse than bending over is twisting sideways. Even turning my head can set it off. Sometimes, when I'm alone, Fll start crying just at the thought of it, at knowing Fve become so damned superannuated." She sighed. "Well, it happens to everyone, and I suppose it could be worse. There's no use complaining. Life goes on, as they say..".The knife turned toward her own chest. Selene's hand leaped to Intercept, closing on Amanda's wrist.independently. Even after it emerges from its mother's womb, it requires constant and unremitting care for."Mary, I wanted. . . is it all right if I call you Mary?"
