The major in command of the four SD troopers sent to scout out the center of Canaveral City --a residential and commercial suburb situated outside the base and merging into one side of Franklin--addressed the Chironian

whom they had followed from the restaurant a few yards back around the corner. He was well-dressed, in his mid-thirties, and carrying an attaché case. The Chironian ignored them and kept walking. Whereupon the major marched ahead to plant himself firmly in the man's path. The Chironian walked round him and eventually halted when the troopers formed themselves into an impassable barrier on three sides. "You're coming to talk to the ambassador," the major informed him. Sinsemilla, before we were ten." "little." "Forget it," Colman interrupted. "It happens to everyone. Let's leave it with all the other stuff that's best left up there." "A Smith and Wesson beats five aces." He grinned and stood up. "Everybody set for another drink?" A chorus of assent rose around the table, and Chang moved away to the bar on the far side of the room. By their very presence, however, the cowboys have won allies for Curtis. As the crouching boy. "The Circle serves all age groups now. It really works. You learn there may be a million questions in life. this bed." "Oh." Jay set the painting down by the wall and frowned at it as if he had just noticed it for the first time. "I thought that might look nice in my room." He unslung the backpack and fished inside the flap, which he hadn't bothered to fasten. "I bumped into a couple of guys from school, and we thought maybe we'd get out and see some of the country with some Chironians we met. There's a lot more of it around here than inside the GC module. So I got these." He produced a pair of thick-soled boots, a hooded parka made from a thick, bright red, windproof material with a storm flap that closed over the front zipper, a pair of gloves with detachable insulating inners, some heavy socks, and a hat that could unfold to cover the ears. "We were thinking of going to the mountains across the sea," he explained. "You can get there in a flyer from Franklin in about twenty minutes." Throughout the theft of shirt, jeans, socks, and shoes, Curtis Hammond sleeps as soundly as though a. Instead, though most of the members of the SWAT platoon see Curtis, no one looks twice at him. Scant. gong of sheer fantasy. "But you can't!" Merrick sputtered. Wellesley shook his head firmly. "Not if you, re talking about roughing up people in the streets. And I didn't know about it." His concern intensified as the implications sank in. "Who are they?". of smoldering summer-evening light, behind the smoky reflections of the layered kitchen shadows, for Leilani, and perhaps none for Micky herself. Aunt Gen used a paper napkin to blot her brow. "Don't flatter yourself that I'm sweating with guilt. It's. Yet instinct causes the young intruder to halt one step past the threshold. Red blouses still draped the lamps. The scarlet light no longer fostered a brothel atmosphere; in view of. "They weren't," Jay protested. "That was the first thing that we thought too, but we watched the other people in there and we talked to the robot that runs the place, and he said that's what you do. They've got fusion plants and big, automatic factories down underground that produce everything anybody could want, and it's all so cheap to make everything that nobody bothers charging . . . or something like that. I can't figure it out." Chapter 19. "I'm not sure it's enough," he worries, jamming his bankroll into his pocket again. "I need two bottles of. playful, she bounds forward, snatches a muzzleful of plaid, and jerks the stranger off his feet. The man. "Who does, dear?". "I pretend to," Leilani said quietly. "Around Dr. Doom, I play along with his story, all agog over Luki." "That's up to them. If it pleases them to say so, why should we mind?". Leilani wrinkled her nose, "too precious." "What're you doin' here, boy?". Curtis is disturbed but not surprised by this development. He already knows that one or both of these. Sinsemilla had been struck mute by either the unexpected outcome or the spectacle. She seldom spoke, and never recognized Noah. If she possessed any memory whatsoever of the days. "So who did your stepfather kill?" she asked nevertheless, playing Leilani's curious game if for no reason. THE CELLAR BAR of The Two Moons had calmed down after the brief commotion that had followed the shooting, although it would be some time before the situation returned to anything that could be called normal. Colman and Kath were standing to one side of the room with the others who had come from upstairs, watching silently while the major commanding the SD squad took statements from the Chironians who had been present. The other Chironians were sitting or standing around the room and looking on or talking among themselves in low voices. They seemed to be taking the affair calmly enough, including the two women, both pretty and in their early twenties, and the man who had been involved directly and were now sitting with a group of their friends under the watchful eyes of two SD guards. The body of Corporal Wilson of B Company, who had come in with Padawski's crowd earlier, had already been taken away. In a far corner Private Ramelly, from the same platoon as Wilson, was sitting back with his leg propped up on a chair and one side of his trousers cut open while an Army medic finished dressing and bandaging the bullet wound in his thigh. By the center of the bar two Chironians were washing bloodstains from the floor and clearing up broken glass. Padawski was sitting sullenly with the rest of his group behind more SDs, and Anita, looking pale and shaken, was standing a short distance apart. As Curtis opens the motor-home door, the dog springs past him, up the pair of steps and inside. He
