Junior realized that killing Renee this very night would be an unthinkable waste. Instead, he could marry her first, enjoy her for a while, and eventually arrange an accident or suicide that left him with all-or at least a significant portion of her assets..The minister's threat had been forgotten, repressed. At the time, only half--heard, merely kinky background to lovemaking, these words had amused Junior, and he'd given no serious thought to their meaning, to the message of retribution contained in them. Now, in this moment of extreme danger, the inflamed boil of repressed memory burst under pressure, and Junior was shocked, stunned, to realize that the minister had put a curse on him!.For her, the suspense that grew throughout dinner didn't have much to do with whether or not Wally would pop the question, because if he didn't broach the subject this time, she intended to take the initiative. Instead, Celestina was more tense about whether or not Wally expected that a heartfelt expression of commitment should be sufficient to induce her to sleep with him..He wanted, all right, but -intuition warned him that he ought to continue to be discreet for a while longer.. "I really am sorry about this," Junior said, regretting the necessity to deny her the right to look good at her own funeral, "but it's got to appear to be a crime of passion." One manly woman. Several womanly men. But no blocky figure that could have been the crazed cop even in disguise..He hadn't intended to enter the gallery. No one in his usual circles would attend this show, unless in such a state of chemically altered consciousness that they wouldn't be able to recall the event in the morning, so he wasn't likely to be recognized or remembered. Yet it seemed unwise to risk being identified as a reception attendee if Celestina White's little Bartholomew and maybe the artist

herself were murdered later. The police, in their customary paranoia, might suspect a link between this affair and the killings, which would motivate them to seek out and. Clinging to the desperate hope of an ultimate reunion, he put the gun away, went to the kitchen, and made a grilled-cheese sandwich: cheddar, with dill pickles on the side. Words eluded him again, and he surveyed the coffee shop, as if someone might step forward to speak for him. He realized people were staring, and embarrassment drew a tighter knot in his tongue. During the past week, he had ferreted out what he could about the nurse. She was thirty, divorced, without kids, and lived alone. If he killed Bartholomew and got away clean, as he expected that he would, then he could subsequently return everything in the van to the apartment. He was just being prudent by planning for his future, because the future was, after all, the only place he lived. Wait here in the car. Give them time to settle down. At this hour, they would put the kid to bed first. Then Ihabod and Celestina would go to their room, undress for the night. tasteful hint of it was on display; nothing about this beauty could be called cheap. "Well, maybe you're right," Bellini said somewhat acerbically, before departing, "but then you've had the advantage of an illegal search, while I'm hampered by such niceties as warrants." During the following ten days, he withdrew money from several accounts. He converted selected paper assets into cash, as well. Thus far, there were only two unexpected developments, the first being his explosive vomiting. He hoped he would never have to endure another such episode. Precisely what type of prodigy Barty might be was initially not easy to deduce. He revealed many talents rather than just one. This room didn't face the street by which Cain would approach the building, so Vanadium switched on the lights. He spent fifteen minutes examining the mundane contents of the cupboards, searching for nothing in particular, merely getting an idea of how the suspect lived-and, admittedly, hoping for an item as helpful to a conviction as a severed head in the refrigerator or at least a plastic-wrapped kilo of marijuana in the freezer. In her campaign to keep her weight gain to a minimum, anorexia was her ally. She learned to find pleasure in hunger pangs. As the nurse gave Junior the injection, Parkhurst said, "You're an exceptionally sensitive man, Enoch. That's a quality to be much admired in an often unfeeling world. But in your current condition, your sensitivity is your worst enemy." Junior was stunned that the bitch had come back into his life, to ruin him, almost two years later. Zedd teaches that the present is just an instant between past and future, which really leaves us with only two choices-to live either in the past or the future; the past, being over and done with, has no consequences unless we insist on empowering it by not living entirely in the future. Junior strove always to live in the future, and he believed that he was successful in this striving, but obviously he hadn't yet learned to apply Zedd's wisdom to fullest effect, because the past kept getting at him. He fervently wished he hadn't simply broken up with Tammy Bean, but that he had strangled her instead, that he had strangled her and driven her corpse to Oregon and pushed her off a fire tower and bashed her with a pewter candlestick and sent her to the bottom of Quarry Lake with the gold Rolex stuffed in her mouth. "Now this. But even if your dad had cooperated with me, nothing would have changed. Since Phimie never revealed his name, I wouldn't have been able to go after Cain any differently or more effectively." Instead, he was given a small color brochure featuring samples of the artist's work. It also contained the same photograph of her smiling face that graced the window. The mound of earth beside the grave had been disguised by piles of flowers and cut ferns. The suspended casket was skirted with black material to conceal the yawning grave beneath it. STILL WEARING HIS white pharmacy smock over a white shirt and black slacks, striding purposefully along the streets of Bright Beach, under a malignant-gray twilight sky worthy of a *Weird Tales* cover, with ominous accompanying rhythm provided by wind-clattered palm fronds overhead, Paul Damascus headed home for the day. Everywhere in the fabled city, calves and knees and magnificent expanses of taut thighs were on display. This brought out the dreamy romantic in Junior, and more than ever he yearned desperately for the perfect woman, the ideal lover, the matching half of his incomplete heart. All he cared about was Red Planet, and what might happen after page 103. He had carried the book with him to the doctor's office, and on the way home in the car; he repeatedly opened it, squinting at the lines of type, trying to read around or through the "twisty" spots. "Jim and Frank and Willis, they're in deep trouble." AS GREASY WITH FEAR sweat as a pig on a slaughterhouse ramp, Junior woke from a nightmare that he could not remember. Something *is reaching for him-that's all he could recall, hands clutching at him out of the dark-and then he was awake, wheezing. Night still pressed at the glass beyond the venetian blind. The pharmacy lamp in the corner was aglow, but the chair that had been beside it was no longer there. It had been moved closer to Junior's bed. He wanted Celestina to sit in her seat and use her lap belt, but she insisted on cuddling next to him, as if she were a high-school girl and he were her teenage beau. "Well, you're sweet, aren't you? And you're all bright red on the outside and milk chocolate inside," Celestina said, gently tweaking the girl's light brown nose. The stress that he currently felt wasn't the same that he so often relieved with women. This was an energizing tension, a not-unpleasant tightening of the nerves, a delicious anticipation that he wanted to experience to its fullest-until the gallery reception for Celestina, on the evening that her show opened, January 12. This tension could not be released by intercourse, but only by the killing of Bartholomew, and when that long-sought moment arrived, Junior expected the relief he experienced would far exceed mere orgasm. By comparison, the strip club-neon aglow, theater lights twinkling---looked warm, cozy. Welcoming. This rosarium was Edom's only relationship with nature that did not inspire terror in him. Agnes believed that Joey's enthusiasm for the restoration of the garden was, in part, the reason why Edom had not tamed as far inward as Jacob and why he'd remained better able than his twin to function beyond the walls of his apartment. Startled, he snatched his hand back. The object fell, ringing faintly against the pavement. The paramedic snatched the oxygen feed from his patient's nose and quickly elevated his head, providing a purge towel to catch the thin ejecta. Later, when the seven of them were gathered at the dinner table, the adults raised glasses of Chardonnay, the children raised tumblers of Pepsi, and Maria gave the toast. "To Bartholomew, the image of his father, who was the kindest man I've ever known. To my Bonita and my Francesca, who brighten every day. To Edom and Jacob, from who ... from whom I've learned so much that has made me think about the fragility of life and made me realize how precious is every day. And to Agnes, my dearest friend, who has given me, oh, so much, including all these words. God bless us, every one." Because he genuinely liked women and hoped always to please them, always to be discreet and chivalrous and giving, Junior did as she wished, spinning a vivid account of the grisly vengeance he would take if ever Seraphim told anyone what he'd done to her. Vlad the Impaler, the historical inspiration for Brain Stoker's Dracula--thank you, Book-of-the-Month Club--could not have imagined bloodier or more horrific tortures and mutilations than those that Junior promised to visit upon the reverend, his wife, and Seraphim herself. Pretending to terrorize the girl excited him, and he was perceptive enough to see that she was equally excited by pretending to be terrorized. Another of Junior's self-improvement projects, since moving to California, was to become a knowledgeable gourmet, also a connoisseur of fine wines. San Francisco was the perfect university for this education, because it offered innumerable world-class

restaurants in every imaginable ethnic variety..She told him to stay on the line, stay on no matter what, told him to keep talking to her, and he hung up..For a long time, she sat alone in the dark living room, in the armchair that had been Joey's favorite, thinking about many things but returning often to the memory of Barty's dry walk in wet weather..In the end, the reason for the walking was the walking itself. Walking gave him something to do, a needed purpose. Motion equaled meaning. Movement became a medicine for melancholy, a preventive for madness..As he'd been instructed, Vanadium felt along the return edge of the carved limestone casing to the right of the window until he located a quarter-inch-diameter steel pin that protruded an inch. The pin was grooved to facilitate a grip. An insistent, steady pull was required, but as promised, the thumb-turn latch on the inside disengaged..With the same surprising ease that she had gotten a plane out of San Francisco on a one-hour notice, Celestina booked two return seats on an early-evening flight from Oregon, as though she had a supernatural travel agent..Turning, turning, turning, the mysterious warning in his mind: The spirit of Bartholomew ... will find you ... and mete out the terrible judgment that you deserve..The strange barrage of lightning, putting an end to the rain rather than initiating it, had been a clue. The rapid clearing of the sky-indicating a stiff wind at high altitudes, while stillness prevailed at ground level-a sudden plunge in the humidity, and an unseasonable warmth confirmed the coming catastrophe.
