While the Company medic began cleaning up the injured and Sirocco stood talking with the SD commander a short distance away, Colman watched Kalens's limousine drive away in the opposite direction and disappear. That was how it had always been, he could see now. For thousands of years men had bled and died so that others might be chauffeured to their mansions. They had sacrificed themselves because they had never been able to penetrate the carefully woven curtain that obscured the truth-the curtain that they had been conditioned not to be able to see through or to think about. But the Chironians had never had the conditioning..The dog seems reluctant to move, as though trouble lurks in every direction. His tail lowers further,..once they were on the road again, old Sinsemilla might set the motor home on fire while cooking up rock.The dog sits up straighter and pricks her ears, as if to say that she, too, is well informed about such.Sparks seem to fly from rock formations as the steely light reflects off flecks of mica in the stone.."One week, and already you're a master of hugely befuddling conversation. "I could hope . . . one day I might be.Colman grinned. "You're right, but you're supposed to pretend you don't know about that. I was thinking of something else--recognition. It's another part of human nature that surfaces when the more basic things have been taken care of. And when it does, it gets to be just as powerful as the rest. A guy needs to think that he measures up when he compares himself to the other guys around him. He needs to be recognized for what's good about him and to stand out. Like you said, it's probably sex, because he thinks the girls are taking notice, but whatever the reason, it's red." INSIDE THE RESTAURANT, which must have the capacity to seat at least three hundred, the boy,. "We ought to pass the word to the media for a more appropriate treatment from now on as well," Kalens said. "Perhaps playing up things like Chironian stubbornness and irresponsibility would harden up the public image a bit... just in case. We could get them to add a mention or two of signs that the Chironians might have armed themselves and the need to take precautions. It could always be dismissed later as overzealous reporting. Should I whisper in Lewis's ear about it?" "This is private,," he murmured in a voice that was low but menacing. "Beat it." She chuffs softly, as though she understands..
