And these days, we will problem you to use analyzing **Download Find The Information You Need! Resources And Techniques For Making Decisions Solving Problems And Answering Questions LIT** as among the material to perform. He abode weeping for the loss of his wife and children till the morning, when he went forth wandering at a venture, knowing not what he should do, and gave not over faring along the sea-shore days and nights, unknowing whither he went and taking no food therein other than the herbs of the earth and seeing neither man nor beast nor other living thing, till his travel brought him to the top of a mountain. He took up his sojourn in the mountain and abode there [awhile] alone, eating of its fruits and drinking of its waters. Then he came down thence and fared on along the high road three days, at the end of which time he came upon tilled fields and villages and gave not over going till he sighted a great city on the shore of the sea and came to the gate thereof at the last of the day. The gatekeepers suffered him not to enter; so he abode his night anhungred, and when he arose in the morning, he sat down hard by the gate.. "There was once a man, a merchant, who was fortunate in trade, and at one time his [every] dirhem profited [him] fifty. Presently, his luck turned against him and he knew it not; so he said in himself, 'I have wealth galore, yet do I weary myself and go round about from country to country; I were better abide in my own country and rest myself in my house from this travail and affliction and sell and buy at home.' Then he made two parts of his money, with one whereof he bought wheat in summer, saying, 'When the winter cometh, I will sell it at a great profit.' But, when the winter came, wheat became at half the price for which he had bought it, whereat he was sore concerned and left it till the next year. However, next year, the price fell yet lower and one of his friends said to him, 'Thou hast no luck in this wheat; so do thou sell it at whatsoever price.' Quoth the merchant, 'This long while have I profited and it is allowable that I lose this time. God is all-knowing! If it abide [with me] half a score years, I will not sell it save at a profit.' Then, when he rode to his house that he had bought, the shopkeeper and his wife came to him and gave him joy of his safety; whereupon he ordered them three swift thoroughbred horses and ten dromedaries and an hundred head of sheep and clad them both in sumptuous dresses of honour. Then he chose out ten slave-girls and ten black slaves and fifty horses and the like number of she-camels and three hundred head of sheep, together with twenty ounces of musk and as many of camphor, and sent all this to the King of Baghdad. When this came to Ins ben Cais, his wit fled for joy and he was perplexed wherewithal to requite him. Moreover, El Abbas gave gifts and largesse and bestowed dresses of honour upon great and small, each after the measure of his station, save only Mariyeh; for unto her he sent nothing..Rail not at the vicissitudes of Fate, ii. 219..? ? ? ? Thou that the dupe of yearning art, how many a melting wight In waiting for the unkept tryst doth watch the weary night! When the day departed and the evening came, the king sat in his privy chamber and summoned the vizier, who presented himself to him and he questioned him of the story. So the vizier said, "Know, O august king, that when it was the day of the going-in, (110) Bihzad, of his haste and lack of patience, betook himself to the wall, which was between himself and the princess's lodging and in which there was a hole pierced, and looked, so he might see his bride, of his haste. But the bride's mother saw him and this was grievous to her; so she took from one of the servants two red-hot iron spits and thrust them into the hole through which the prince was looking. The spits ran into his eyes and put them out and he fell down aswoon and joyance was changed and became mourning and sore concern. See, then, O king," continued the youth, "the issue of the prince's haste and lack of deliberation, for indeed his haste bequeathed him long repentance and his joy was changed to mourning; and on like wise was it with the woman who hastened to put out his eyes and deliberated not. All this was the doing of haste; wherefore it behoveth the king not to be hasty in putting me to death, for that I am under the grasp of his hand, and what time soever thou desirest my slaughter, it shall not escape [thee]." Quoth the king, "O Saad, fetch him to me, for indeed thou describest to me a masterful man." (76) And he answered, saying, "By Allah, O my lord, hadst thou but seen our case with Hudheifeh, what while he challenged me to the field of war and the stead of thrusting and smiting and I held back from doing battle with him! Then, whenas I thought to go forth to him, behold, a cavalier gave loose to his bridle-rein and called out to me, saying, 'O Saad, wilt thou suffer me to fill thy room in waging war with him and I will ransom thee with myself?' And I said, 'By Allah, O youth, whence cometh thou?' Quoth he, 'This is no time for thy questions.'" Then he recounted to the king all that had passed between himself and El Abbas from first to last; whereupon quoth Ins ben Cais, "Bring him to me in haste, so we may learn his tidings and question him of his case." "It is well," answered Saad, and going forth of the king's presence, repaired to his own house, where he put off his harness of war and took rest for himself..On like wise, O king," continued the young treasurer, "is it with thee. If God have written aught on my forehead, needs must it befall me and my speech to the king shall not profit me, no, nor my adducing to him of [illustrative] instances, against the fore-ordinance of God. So with these viziers, for all their eagerness and endeavour for my destruction, this shall not profit them; for, if God [be minded to] save me, He will give me the victory over them." ? ? ? ? b, The Merchant's Wife and the Parrot dccccclxxx.80. The Schoolmaster who fell in Love by Report dclxv."Away with him from me! Who is at the door?" "Kutheiyir Azzeh," (52) replied Adi, and Omar said, "It is he who says in one of his odes ... " [And he repeated the following

verses:] Now the liefest of all things to Mariyeh was the recitation of poems and verses and linked rhymes and the twanging [of the strings of the lute], and she was versed in all tongues; so she took the letter and opening it, read that which was therein and apprehended its purport. Then she cast it on the ground and said, "O nurse, I have no answer to make to this letter." Quoth the nurse, "Indeed, this is weakness in thee and a reproach unto thee, for that the people of the world have heard of thee and still praise thee for keenness of wit and apprehension; so do thou return him an answer, such as shall delude his heart and weary his soul." "O nurse," rejoined the princess, "who is this that presumeth upon me with this letter? Belike he is the stranger youth who gave my father the rubies." "It is himself," answered the woman, and Mariyeh said, "I will answer his letter on such a wise that thou shalt not bring me other than it [from him]." Quoth the nurse, "So be it." So the princess called for inkhorn and paper and wrote the following verses: If, in his own land, midst his folk, abjection and despite, ii. 196..75. The Imam Abou Yousuf with Haroun er Reshid and Zubeideh cccclxxxviii. Presently, El Abbas cried out at Hudheifeh a cry that astonished him and dealt him a blow, saying, "Take this from the hand of a champion who feareth not the like of thee." Hudheifeh met the stroke with his shield, thinking to ward it off from him; but the sword shore the target in sunder and descending upon his shoulder, came forth gleaming from the tendons of his throat and severed his arm at the armpit; whereupon he fell down, wallowing in his blood, and El Abbas turned upon his host; nor had the sun departed the pavilion of the heavens ere Hudheifeh's army was in full flight before El Abbas and the saddles were empty of men. Quoth Saad, "By the virtue of the Chosen [Prophet], whom God bless and keep, I saw El Abbas with the blood upon his saddle pads, [in gouts] like camels' livers, smiting with the sword right and left, till he scattered them abroad in every mountain-pass and desert; and when he turned [back to the camp], the men of Baghdad were fearful of him." 'Harkening and obedience,' answered El Ased and flew till he came to the Crescent Mountain, when he sought audience of Meimoun, who bade admit him. So he entered and kissing the earth before him, gave him Queen Kemeriyeh's message, which when he heard he said to the Afrit, 'Return whence thou comest and say to thy mistress, "Be silent and thou wilt do wisely." Else will I come and seize upon her and make her serve Tuhfeh; and if the kings of the Jinn assemble together against me and I be overcome of them, I will not leave her to scent the wind of this world and she shall be neither mine nor theirs, for that she is presently my soul (243) from between my ribs; and how shall any part with his soul?' When the Afrit heard Meimoun's words, he said to him, 'By Allah, O Meimoun, thou hast lost thy wits, that thou speakest these words of my mistress, and thou one of her servants!' Whereupon Meimoun cried out and said to him, 'Out on thee, O dog of the Jinn! Wilt thou bespeak the like of me with these words?' Then, he bade those who were about him smite El Ased, but he took flight and soaring into the air, betook himself to his mistress and told her that which had passed; and she said, 'Thou hast done well, O cavalier.' Officer's Story, The Sixth, ii. 146..? ? ? ? ? No rest is there for me, no life wherein I may delight, Nor pleasant meat nor drink avails to please me, night or day..Wasteful Son, The Rich Man and his, i. 252..Presently, the vizier heard of the merchant's coming; so he sent to him and let bring him to his house and talked with him awhile of his travels and of that which he had abidden therein, and the merchant answered him thereof. Then said the vizier, 'I will put certain questions to thee, which if thou answer me, it will be well [for thee].' And the merchant rose and made him no answer. Quoth the vizier, 'What is the weight of the elephant?' The merchant was perplexed and returned him no answer and gave himself up for lost. Then said he, 'Grant me three days' time.' So the vizier granted him the delay he sought and he returned to his lodging and related what had passed to the old woman, who said, 'When the morrow cometh, go to the vizier and say to him, "Make a ship and launch it on the sea and put in it an elephant, and when it sinketh in the water, [under the beast's weight], mark the place to which the water riseth. Then take out the elephant and cast in stones in its place, till the ship sink to the mark aforesaid; whereupon do thou take out the stones and weigh them and thou wilt know the weight of the elephant"'. Then they betook themselves to a place without the city, where he builded him a mansion of solid stone and white plaster and stopped its inner [walls] and stuccoed them; yea, he left not therein cranny nor crevice and set in it two serving-women to sweep and wipe, for fear of spiders. Here he abode with his wife a great while, till one day he espied a spider on the ceiling and beat it down. When his wife saw it, she said, 'This is that which the wise woman avouched would kill me; so, by thy life [I conjure thee], suffer me to slay it with mine own hand.' Her husband forbade her from this, but she conjured him to let her kill the spider; then, of her fear and her eagerness, she took a piece of wood and smote it. The wood broke in sunder, of the force of the blow, and a splinter from it entered her hand and wrought upon it, so that it swelled. Then her arm swelled also and the swelling spread to her side and thence grew till it reached her heart and she died. Nor," added the vizier, "is this more extraordinary or more wonderful than the story of the weaver who became a physician by his wife's commandment." Then he wrote a letter to King Azadbekht, saying to him, "I am a servant of thy servants and a slave of thy slaves and my daughter is a handmaid at thy service, and may God the Most High prolong thy days and appoint thy times [to be] in delight and contentment! Indeed, I still went girded of the waist in thy service and in caring for the preservation of thy dominion and warding off thine enemies from thee; but now I abound yet more than before in zeal and watchfulness, for that I have taken this to charge upon myself, since my daughter is become thy wife." And he despatched a messenger to the king with the letter and a present..When her husband came home, she said to him, 'I desire to go a-pleasuring.' And he said, 'With all my heart.' So he went, till he came to a goodly place, abounding in vines and water, whither he carried her and pitched her a tent beside a great tree; and she betook herself to a place beside the tent and made her there an underground hiding-place, [in which she hid her lover]. Then said she to her husband, 'I desire to mount this tree.' And he said, 'Do so.' So she climbed up and when she came to the top of the tree, she cried out and buffeted her face, saying, 'Lewd fellow that thou art, are these thy usages? Thou sworest [fidelity to me] and liedst.' And she repeated her speech twice and thrice..Bibers el Bunducdari and the Sixteen Officers of Police, El Melik ez Zahir Rukneddin, ii. 117..Haroun er Reshid, Tuhfet el Culoub and, ii. 203..THE NINTH OFFICER'S STORY..Presently, the king arose from the wine-chamber and taking his wife by the hand, repaired with her to the chamber in which he slept. He opened the door and entering, saw the youth lying on the bed, whereupon he turned to his wife and said to her, "What doth this youth here? This fellow cometh not hither but on thine account." Quoth she, "I have no knowledge of him." With this, the youth awoke and seeing the king, sprang up and prostrated himself before him, and Azadbekht said to him, "O vile of origin, (102) O lack-loyalty, what hath prompted thee to outrage my dwelling?" And he bade imprison him in one place and the woman in another..O Shehrzad," quoth Shehriyar, "finish unto us the story that thy friend told thee, for that it resembleth the story of a king whom I knew; but fain would I hear that which betided the people of this city and what they said of the affair of the king, so I may return from that wherein I was." "With all my heart," answered Shehrzad. "Know, O august king and lord of just judgment and praiseworthy excellence and exceeding prowess, that, when the folk heard that the king had put away from him his

custom and returned from that which had been his wont, they rejoiced in this with an exceeding joy and offered up prayers for him. Then they talked with one another of the cause of the slaughter of the girls, and the wise said, 'They (162) are not all alike, nor are the fingers of the hand alike.'".? ? ? ? ? With ruin I o'erwhelm him and abjectness and woe And cause him quaff the goblet of death and distance drear..? ? ? ? ? a. Story of Taj el Mulouk and the Princess Dunya cvii.?STORY OF KHELBES AND HIS WIFE AND THE LEARNED MAN..? ? ? ? ?
