Presently he got up, and she followed him to the path that always led them, sooner or later, out of the wood to the clearing by the Thwilburn and the Otter's House. When they came there, it was late afternoon. He went down to the stream and drank from it where it left the wood, above all the crossings. She did the same. Then sitting in the cool, long grass of the bank, he began to speak..think; he could not remember. "Stay with me," he said, and did not know who he spoke to. He was."I have to have a single heart. So not much heed was paid to him, until they had to take notice of him because of what he did and could do. He was an uncanny brat, as they say. He had powers. He could light a fire or douse it with a word. He could make pots and pans fly through the air. He could turn a mouse into a pigeon and set it flying round the great kitchens of the Lord of Ark. And if he was crossed, or frightened, then he did harm. He turned a kettle of boiling water over a cook who had mistreated him."."Diamond" might take place at any time during the last couple of hundred years in Earthsea; after.execution, in Losen's name, for the crime of conspiracy against the King. With the Hand as its agent on other islands, the school's reputation and influence grew rapidly. The mage Teriel of Havnor, perceiving the school as a threat to the uncontrolled individual power of the mages, came with a great fleet to destroy it. He was destroyed, and his fleet scattered.. "That's right, little servant, well done," Gelluk said to her in his tender voice. "Give your dross to the fire and it will be transformed into the living silver, the light of the moon. Is it not a wonderful thing," he went on, drawing Otter away and back down the spiral stair, "how from what is most base comes what is most noble? That is a great principle of the art! But the father said, "Diamond," diamond being in his estimation the one thing more precious than gold..all alone in his brightness in his courts of stone? His name is Turren. Do you know that name? "Why do you say nothing?" I asked. I had to clear my throat.. "Well, that won't do," said the stranger pleasantly. "I can't be bringing on a birth untimely. Is there maybe a room above the tavern?" "Yes," said the Patterner. "What goes too long unchanged destroys itself. The forest is for ever because it dies and dies and so lives. I will not let this dead hand touch me. Or touch the king who brought us hope. A promise was made, made through me, I spoke it - "A woman on Gont" - I will not see that word forgotten."
