"On your way?" lean asked Pernak. "That's all, Fallows," Merrick murmured without looking up. "You are dismissed." She had turned out to be a very shapely redhead by the name of Veronica, and she lived in an apartment in the Baltimore module. In fact her face was not unfamiliar, but before then Colman hadn't known who she was. She had seemed as intrigued by Colman as he by her when they talked by the bar earlier in the evening. "Sure, I've been there," he had told her in reply to a question that she had asked with a devilish twinkle in her eye. "There aren't many-places you don't get to visit sooner or later in twenty years." Wellesley concluded his formal speech and stood looking around the hall for a moment to allow a lighter mood to settle. In the last few days some of the color had returned to his face, his posture had become more upright and at ease, and his frame seemed to have shed a burden of years. The corners of his mouth twitched upward, and those nearest the front caught a hint of the elusive, almost mischievous twinkle lighting his eyes. "I didn't mean that," Driscoll protested, feeling embar-. anyway. She had killed it some time ago. Under the tall chest of drawers, nothing flopped, nothing hissed.. HOSTESS. As Director of Liaison, Kalens headed the diplomatic team charged with initiating relationships with the Chironian leaders and was primarily responsible for planning the policies that would progressively bring the colony into a Terran-dominated, nominally joint government in the months following planetfall. Hence the question probably concerned him more than anybody else. Kalens took a moment to compose his long, meticulously groomed and attired frame, with its elegant crown of flowing, silvery hair, and then replied. "I agree with John that a rigid rule needs to be asserted early on . . . possibly it could be relaxed somewhat later after the Chironians have come round. However, Mark has a point too. We should avoid the. risk of hostilities if we can, and think of it only as a last resort. We're going to need those resources working for us, not against. And they're still very thin. We can't permit them to be frittered away or destroyed. Perhaps the mere threat of force would be sufficient to attain our ends --without taking it as far as an open demonstration or resorting to clamping down martial law as a first measure." The major stared at him as if refusing to believe his ears. "Get outa here," he choked in a weak voice. He shook his head incredulously, "Just . . . get the hell outa here, willya...". Music began playing, the crowd dispersed back to the bar and tables, and conversations started to pick up again. Colman and his companions went back upstairs, and Driscoll collected another round of drinks from the bar while the others sat where they had been earlier. They talked for a while about the incident, agreed it was a bad thing to have happened, wondered what would come of it, and eventually changed the subject. "I never realized," Geneva said miserably.
