referred. And your time to get this guide since among the compromises has been ready. He stopped and felt the dirt under his feet. He was barefoot, as usual. When he was a student on Roke, he had worn shoes. But he had come back home to Gont, to Re Albi, with his wizard's staff, and kicked his shoes off. He stood still and felt the dust and rock of the cliff-top path under his feet, and the cliffs under that, and the roots of the island in the dark under that. In the dark under the waters all islands touched and were one. So his teacher Ard had said, and so his teachers on Roke had said. But this was his island, his rock, dust, dirt. His wizardry grew out of it. "My mastery is here," the boy had said, but it went deeper than mastery. That, perhaps, was something Dulse could teach him: what went deeper than mastery. What he had learned here, on Gont, before he ever went to Roke..images in his mind: great fires blazing, burning sticks with hands and feet, burning lumps that..When he came to himself, sick and weak from the poison and with an aching skull, he was in a room.Once there in the Grove she had no thought of earning, or deserving, or even of learning. Something intense or uncanny about them made him pause at the window on the stairs landing and watch them. A thing between them was leaping up and down, a frog? a toad? a big cricket? He went out into the garden and came up near them, moving so quietly, though he was a big man, that they in their absorption did not hear him. The thing that was hopping up and down on the grass between their bare toes was a rock. When Diamond raised his hand the rock jumped up in the air, and when he shook his hand a little the rock hovered in the air, and when he flipped his fingers downward it fell to earth..home..".Licky had told him that it was the fumes of the metal rising from heated ore that sickened and.Tawny," Gift said, very earnest.
