was none of their concern. Irian stood silent too, but her hope sank down, replaced by a sense of shame and utter insignificance. These were brave, wise men, seeking to save what they loved, but they did not know how to do it. And she had no share in their wisdom, no part in their decisions. She drew away from them, and they did not notice. She walked on, going towards the Thwilburn where it ran out of the wood over a little fall of boulders. The water was bright in the morning sunlight and made a happy noise. She wanted to cry but she had never been good at crying. She stood and watched the water, and her shame turned slowly into anger. . . . doing what they could to keep the few roads out from becoming choked and murderous with panicky. her back. On her face was the same tranquil smile, directed at the empty rows of seats, which. The witch still said nothing. They walked along in the darkness side by side. "Simply as I protect myself," the wizard said; and after a moment, testily, "The bargain, boy. The power we give for our power. The lesser state of being we forego. Surely you know that every true man of power is celibate." Inmost Sea. All the wizards and armed men Maharion could command went out to fight the dragons. . . makings of a wizard Hemlock would train him, and if he had, as Hemlock suspected, a mere childish. His spies had been coming to him for a year or more muttering about a secret insurgency all across. "Whom do you serve?" asked the shorter and younger of the women, speaking for the first time. She had a keen, hard face, with long black brows. "I think, if you stayed, Heleth, we could talk." . thundered; she fell flat on the ground. . . However the Division came about, from the beginning of historical time human beings have lived in the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost isles-and beyond. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this. "What's changed?" "Oh, pretty man," said one of them with a smile, "don't even show us what you have in your pack there, for I haven't a penny of copper or ivory, nor seen one for a month." Medra took her hand and put his forehead against it. Telling his story he had kept back tears. He could not do so now. . . Havnor Great Port, Roke has remained without an archmage. "Then Losen cursed and cried, and his slaves brought him wine, and the mage went out, bowing, and. protected Roke so long and protected it far more closely now. Although Otter had not thought the words, Anieb spoke with his voice, the same weak, dull voice: "Only the Master can open the door. Only the King has the key." "They're men of the Hand, Dory, one short and pretty and one tall and proud, and they say they're seeking papers. I know you had some once, though you may not now. They've nothing you need in their pack, but it might be they'd pay a bit of ivory for what they want. Is it so?" She turned her bright eyes on Tern, and he nodded. . . Two long curves appeared on the Doorkeeper's cheeks, enclosing the slow upturn of his smile. The. "He lay as if dead, cold, his heart not beating, yet he breathed. The Herbal used all his art, but could not rouse him. "He is dead," he said. "The breath will not leave him, but he is dead." So we mourned him. Then, because here was dismay among us, and all my patterns spoke of change and danger, we met to choose a new Warden of Roke, an Archmage to guide us. And in our council we set the young king in the Summoner's place. To us it seemed right that he should sit among us. Only the Changer spoke against it at first, and then agreed. What they had they shared. In that it was indeed Morred's Isle. Nobody on Roke starved or went. Gelluk pressed close beside him, often taking his arm. "This way," he said several times. The great scholar-mage Ath compiled a lore-book that brought together much scattered knowledge, particularly of the words of the Language of the Making. His Book of Names became the foundation of naming as a systematic part of the art magic. Ath left his book with a fellow mage on Pody when he went into the west, sent by the king to defeat or drive back a brood of dragons who had been stampeding cattle, setting fires, and destroying farms all through the western isles. Somewhere west of Ensmer, Ath confronted the great dragon Orm. Accounts of this meeting vary; but though after it the dragons ceased their hostilities for a while, it is certain that Orm survived it, and Ath did not. His book, lost for centuries, is now in the Isolate Tower on Roke. "That's right, little servant, well done," Gelluk said to her in his tender voice. "Give your dross to the fire and it will be transformed into the living silver, the light of the moon. Is it not a wonderful thing," he went on, drawing Otter away and back down the spiral stair, "how from what is most base comes what is most noble? That is a great principle of the art! From the vile Red Mother is born the Alking. From the spittle of a dying slave is made the silver Seed of Power." All the thoughts he had not been able to think for days and weeks were racing through his head, a. He heard an eagle scream. He got to his feet. He leapt into the dark. . . stone tower. . . But Anieb had been bald, like all the slaves in the roaster tower. . . Mage Ath. Long ago. Before he went into the west. All my foremothers were wise women. He stayed. "Meridional, rasts: one hundred and six, one hundred and seventeen, zero eight, zero two. "The woman with you defies the Rule of Roke," the Windkey said. "She must leave. A boat is waiting at the dock to take her, and the wind, I can tell you, will stand fair for Way." . unless there was a sorcerer aboard who knew how to turn that wind. Still they came, and as the. Early opened Hound's mouth and gave him voice enough to say, in a flat dead tone,

"Samory.".her timbers creaked a little, a slaves chain rattled, rattled again..queens and kings of Earthsea," he thought, "and they are only the grass that grows on this hill."
