People were in the habit of fearing.The deeds and lays that tell of raids by dragons and counterforays by wizards portray the dragons as pitiless as any wild animal, terrifying, unpredictable, yet intelligent, sometimes wiser than the wizards. Though they speak the True Speech, they are endlessly devious. Some of them clearly enjoy battles of wits with wizards, "splitting arguments with a forked tongue." Like human beings, all but the greatest of them conceal their true names. In the lay Hasa's Voyage, the dragons appear as formidable but feeling beings, whose anger at the invading human fleet is justified by their love of their own desolate domain. They address the hero..The existence of magic as a recognized, effective power wielded by certain individuals, but not by.He was in fact a town boy, born in Gont Port. He had said nothing about himself, but Dulse had asked around a bit. The father, a longshoreman, had died in the big earthquake, when Silence would have been seven or eight; the mother was a cook at a waterfront inn. At twelve the boy had got into some kind of trouble, probably messing about with magic, and his mother had managed to prentice him to Elassen, a respectable sorcerer in Valmouth. There the boy had picked up his true name, and some skill in carpentry and farmwork, if not much else; and Elassen had had the generosity, after three years, to pay his passage to Roke. That was all Dulse knew about him..".Yes. To send away one woman, it takes nine mages." He very seldom smiled, and when he did it was.Irioth came up onto the doorstep.
