He drew a long, heavy breath before answering Bernard's question directly. "But there can be no alteration of our resolution.".Colman had begun to see parts of such a pattern, although not with the simple completeness that Swley had described. What Swley was saying might be true as far as it went, but Colman was certain that in Kath's case Swley had, for once, missed something, something more personal than just political motivation,.Then the tramp of marching footsteps growing louder came from beyond the main doors. Sirocco brought his elbows up level with his shoulders, stretched. for a few seconds, and sighed. After a short silence he cocked a curious eye in Colman's direction.
