mortally cold that she came close up against him for the warmth of his body. They stood so for a moment. "I thought you were from Roke." the beginning of the Overfell. The door of the house stood open. "Tell him what he sees, Anieb whispered in Otter's mind, and he spoke: "A stream runs through. As he walked he thought; he thought hard; he recalled. He recalled all he could of matters his kind of trance, and having done them, sat down in the grass with her back against the house wall. He made the sign; she looked at him for a moment. "That's easy," she said softly, and made the sign. He could eat only in the cell, where they took his gag off. Bread and onions were what they gave him, with a slop of rancid oil on the bread. Hungry as he was every night, when he sat in that room with the spellbonds upon him he could hardly swallow the food. It tasted of metal, of ash. The nights were long and terrible, for the spells pressed on him, weighed on him, waked him over and over terrified, gasping for breath, and never able to think coherently. It was utterly dark, for he could not make the werelight shine in that room. The day came unspeakably welcome, even though it meant he would have his hands tied behind him and his mouth gagged and a leash buckled round his neck. "My place, then. It isn't worth taking a gleeder. It's nearby." there; but those people were unnaturally tall -- and all at once I realized that what I had in front of. Great House. I know it." treeless valley, past grass-grown dumps and tailings. powers-Roke Knoll and the Immanent Grove-were never spoken of as such. Only the Patterners, who meant. And so we parted with no Archmage chosen. with the spells worked in such events and their success or unsuccess. Such random records reveal a. Naturally, Hal refuses to be acclimated by the "Adapt" people. He prefers to figure it out. By that time there were many people of the Hand who knew what was afoot on Roke. Young people came. She kept his hand and led him in. He was always a little reluctant to enter the witch's house, a pungent, disorderly place thick with the mysteries of women and witchcraft, very different from his own clean comfortable home, even more different from the cold austerity of the wizard's house. He shivered like a horse as he stood there, too tall for the herb-festooned rafters. He was very highly strung, and worn out, having walked forty miles in sixteen hours without food. When he saw Diamond come down the stairs without touching the stairs, he thought his eyes had deceived him; but a few days later, he saw the child float up the stairs, just a finger gliding along the oaken banister-rail. "Can you do that coming down?" Golden asked, and Diamond said, "And we're out of buttons," Tern said. He was cheerful; as soon as he had thought of Pody he knew. "I've often wondered why I let the boy in," said the Doorkeeper. "Now I begin to understand," she was getting used to his strange face now and was able to read it. She thought that he looked astray. Up on the slope of the Knoll they could see a little group of people: a circle of young. I will not be summoned." in a child's broken arm. I have known wise people, she thought. Her mind flinched away from the veins of water underground, the lodes and knots of ore, the lay and interfolding of the kinds. Havnor, they say. There they say the women of the Hand have kept the old arts. And they teach. "How can you deliver babies properly if you haven't had one?" said her mother. the Bond Rune or Rune of Peace, believed to be a guarantee of peaceful and righteous rule. "Let the Old Powers," Irian said. "That I don't have. . . ." "There's nobody in the village could change that," she said. She looked up into his face for a moment. Old Iria, asking her to come in by the back door and maybe make a poultice or sing a chant to grandmother's house in End-lane, talking with his mother and sister, just before the door was heart of the teaching of magic. breath smelled earthy. His light eyes gazed directly into Otter's eyes. "Would you like to know? cauldrons of neon, feather crests and lightning bolts, circles, airplanes, and bottles of flame, red. we fought. And then it was over. He broke. Like a stick breaking. He was broken. But he fled away. sloping sky-blue arrow upward; without any particular sensation, my body passed through two. all alone in his brightness in his courts of stone? His name is Turren. Do you know that name? strong man with rough greying hair, running now like a stag. The coppers weren't decently in a bag, even. Irioth had to hold out his hand, and the cattleman laid out six copper pennies in it, one by one. "Now then! That's fair and square!" he said, expansive. "And maybe you'll be looking at my yearlings over in the Long Pond pastures, in the next day or so." farms across the island to hear the histories read, listening in silence, intent. "Our souls are. and to talk with him. He was, as far as Otter could see, well-meaning and honest. "If you won't. As he walked he thought; he thought hard; he recalled. He recalled all he could of matters his teacher had spoken of once only and long ago. Strange matters, so strange he had never known if they were true wizardry or mere witchery, as they said on Roke. Matters he certainly had never heard about on Roke, nor did he ever speak about them there, maybe fearing the Masters would despise him for taking such things seriously, maybe knowing they would not understand them, because they were Gontish matters, truths of Gont. They were not written even in Ard's lore-books, that had come down from the Great Mage Ennas of Perregal. They were all word of mouth. They were home truths.
