Then he went up to the roof and looking down, beheld his friend the druggist; whereat he was sore concerned and said in himself, 'Alas, the disgrace of it! This is my friend the druggist, who dealt kindly with me and wrought me fair and I have requited him with foul' And he feared to return to the druggist; so he went down and opened the first door and would have gone out; but, when he came to the outer door, he found it locked and saw not the key.
